Subject: re , application for a 24hr licence to sell alcohol at 16 park parade , harlesden,,

dear madame,, im sending this e-mail to express my deep concerns at the prospect of having yet another all night shop that sells alcohol,,there is already 1 shop that does this ,, less then 6 minutes away,, this has led to gangs of youths and ,, some not so young people ,, hangin around the top of rucklidge ave ,, and the rest of the st,, this can be a nightmare for anyone such as myself who lives here ,, we call it locally ,, running the gauntlet to get to your house,, this can be anything from, asking for money,, asking for cigarettes,, just verbal abuse fuelled by too much drink ,, or worst of all ,, the threat of physical violence from people under the influence,, we already have a huge antisocial behaviour problem in this area and have no need for yet 1 more outlet to provide yet more fuel for our already existing problems.. so i beg you to take my concerns and that of my neighbours into consideration when you make your decision,, .. yours
sincerely.. rucklidge
