Dear Mrs Rudman,

I'm writing concerning the 'Sale Of Alcohol 24 Hours Application' for 16, Park Parade. It is highly untoward to give this licence, reason being we have quite a few alcoholics in Rucklidge Avenue, 3 of which sit on the bench by the Pocket Park every day, passing out regularly and having to be picked up by ambulances. There is broken glass everywhere and a lot of rubbish resulting from their behaviour. Hence, we don't need to have more alcohol readily available 24 hours per day. There are already 5 pawnshops in the High Street that reflect the desperation of people in this area; we don't need more soul destroying substances. Many thanks for your comprehension,
