Re 16, Park Parade NW10 application for 24 hour alcohol licence.

Brent Council Reference **1043532**

Dear Ms Rudman,

Re. application to increase licence hours at 16 Park Parade to sell Alcohol 24 hours

I am strongly opposed to this application being granted for the following reasons:-

Due to proximity of Rucklidge Avenue to Park Parade, we already suffer the noise and fighting that takes place after the existing drinking hours in the area. We DO NOT need these people to have further access to alcohol after that period, to fuel further mayhem and noise. Also the litter and more importantly broken bottles strewn around the roads and pavement that our kids and pets etc. have to try and avoid every week does not need to be increased!! The drug dealers that have preyed on the drunken customers of the locals bars and clubs will no doubt extend their business hours to catch these vulnerable people into the wee small hours. We have spent a long time with the local police trying to eradicate these drug peddlers from our street - please do not give them the opportunity to find an excuse to return to ply their wares.

Due to the sensitivity and the close proximity of the shop in question, I would ask you to keep my contact details Confidential from the applicant or any third party.

Thank you for your anticipated assistance on this very worrying matter.

Rucklidge Avenue
