Date: 19 Apr 2023

I am a Police Constable based at HARLESDEN TOWN CENTER TEAM NW in the Metropolitan Police Service. This statement relates to a section 23 Misuse Drugs Act 1971 warrant that was executed on THURSDAY 30TH MARCH 2023 at O BOMBEIRO, 25 PARK PARADE, HARLESDEN, NW10 4JG. The warrant was approved by CROYDON MAGISTRATES on the 10th MARCH 2023.

Upon executing the warrant there was a black rucksack found inside the rear of the premises which contained the following exhibits inside the rucksack:

- RXN/01 – Silver coloured knife with cannabis resin residue on blade, found in the main pocket of RXN/02 (black backpack) in pool room by PC Ahmed 2568NW.
- RXN/02 – Black backpack branded Kipling, found in the pool room under the table by the rear door 1902 by PC Ahmed 2568NW.
- RXN/03 – Black digital scales, found in the main pocket of RXN/02 in pool room by PC Ahmed 2568NW.
- RXN/04 – Roll of cling film, found in main pocket of RXN/02 in pool room by PC Ahmed 2568NW.
- RXN/05 – 5x blocks of cannabis resin in cling film, found in main pocket of RXN/02 by PC Ahmed 2568NW.
- RXN/06 – Bottle of perfume branded Sauvage, found in main pocket of RXN/02 by PC Ahmed 2568NW.
- RXN/07 – Snap bag of gummy bear sweets, found in front pocket of black backpack (leather) under the table by rear door, found by PC Sandulescu 3082NW.
- RXN/08 – Various (x5) NOs canister interfaces and x4 NOs canisters, found in main pocket of RXN/02 in pool room, found by PC Ahmed 2568NW.
- RXN/09 – cannabis resin wrapped in cling film, found in draw-string camo pattern bag on top of last table in corridor, found by PC Chowdhury 3073NW.

Whilst officers still inside the premises CCTV check was conducted which revealed a male walking in with the rucksack on his back and leaving it under a table by the entrance of the pool table area. A still image has been circulated on police computer system (FIMS) for possible identification and the exhibits have been store in WEMBLEY PROPERTY STORE. A Crime report was generated for Possession with intent to supply class B drugs and Points and Blade.

The report has now been closed pending further evidence. Once the suspect has been identified the drugs can then be sent off to the lab for testing and to be forensically analysed.
