**Subject:** PREMISES LICENCE: APPLICATION NO: 21138

**Importance:** High

Dear Sir/Madam,

RE: ALCOHOL LICENCE APPLICATION: BEIJING NOODLES/UR FOODS LTD: 13 KILBURN LANE  
LONDON W10 4AE

APPLICATION NO: 21138

[REDACTED] Kilburn Lane, London W10 4AE.

Our property is very close to the premises 13 Kilburn Lane.

We understand the above have applied for an extended Alcohol Licence to enable them to sell takeaway alcohol up to 12 midnight and possibly up to 1am.

We object most strongly to this on the grounds of:

1. Prevention of Crime & Disorder
2. Prevention of Public Nuisance
3. Public Safety

We have no objection at all to the establishment selling alcohol up to 11pm and we are very supportive of any good business in the street, but we feel selling takeaway alcohol beyond this time it is inviting trouble in what is a very residential street with many older people and children here. Therefore the residents will be at risk from general disturbance, Crime & Disorder and Public Nuisance into the early hours which will compromise Public Safety in the vicinity generally.

Customers going in and out of the premises at such a late hour to purchase alcohol will without a doubt be noisy and boisterous, probably in many cases on their way to a party etc. and the sleeping residents will be constantly disturbed by the noise. Alcohol purchases could very often be opened and consumption started there and then. There is also a high risk of such customers urinating in the street as there will be nowhere open at this late hour such as pubs or cafes where toilets would normally be available.

We trust our objections will be very seriously considered.

Thank you.
