Dear Miss Linda

Can you forward this email to the neighbour who submit the representation. Also can you forward this Picture and the Biffa Invoice to the License Sub Commitee

Dear Neighbour

RUBBISH

Mr Omid has an agreement with BIFFA for rubbish collection twice a week. Also, we use Viola Bin bags when there is an excess of rubbish. We can buy these bags online

.

DELIVERIES

Mr Omid use your own can for his own deliveries. The business is not good enough, for the supplier's delivery directly to our business. We have now a small supermarket and small cafe/restaurant.

There is more business next to us. From Night Clubs, Restaurant, cafes. How they get their deliveries? Also, opposite to us, there is a car dealer. Please see picture attached. They have this truck delivery cars often during the month.

Kind Regards

Manuel Rocha
