Name of Premises: Costcutters  
Address of Premises: 494-496 Neasden Lane North, NW10 0EA  
Application Details: The applicant would like to extend the Supply of Alcohol hours to 24 hours a day.

Good afternoon,

I have been made aware of the above premises looking to change their licence.

If they are suggesting they will be open and selling alcohol for 24 hours a day I would like to raise an objection to this. Neasden Town Centre which isn't too far away has had a street drinking issue for a long time and is now subject to PSPO and significant police efforts and activity to reduce and eliminate this which has caused residents and users of the town centre untold harm with ASB and violence. Recent figures show assaults and violence incidents are at 26 for the last 12 weeks. Many of these are alcohol related.

Costcutters is also close to a 24hr McDonalds which has also suffered from ASB over recent months. Late night food and late night alcohol is a recipe for significant issues for policing.
