Subject : Jackmans ,case ref -2019-2077

I run a business [REDACTED] Jackmans .I run my shop [REDACTED] Jackman at least 5-6 days per week . The Jacksmans shop is normally very busy as they do Western Union money transfer , oyster and parcel collection .The majority of the customers come to Jackman to send money . I have seen many time people being refused entry as they are drunk or have open strong beer can which they got from other shops on the lane .I believe Jacksmans is a very responsible local business who care in wellbeing of all its customer and safety of the locals area .

I strongly disagree with solely blaming Jackmans for the all crime and violence in this area . I believe the local authorities area blaming the broken social system on a small business. The Council has failed provide shelter to the homelessness which is present in this area which is one of the main reasons for public nuisance and crime .

Your sincerely,
