RE: Jackman licence review / 2019-2077

Dear Sir/Madam,

I have seen notice posted outside Jackman's advertising licence review for Jackmans ,279 Neasden lane, London ,NW10 1QJ.

I have been doing charity work in the local area for last [REDACTED] years behalf of TGTE. TGTE has been working closely with the local community and charities to improve the living condition and to tackle homelessness in the area. Over the years homelessness has seen a dramatic increase as living cost and government cuts for social care and mental health.

Jackman has contributed to the local project to tackle the issues above through our charity.

I firmly disagree Brent councils decision to review Jackmans off licence for ongoing social issues in the country. The alcohol problem in this area is part of nation epidemic and I don't see Jackmans as the root cause for the problems mentioned in the notice .This action by the council will cause severe economic consequences to local economy.

I would like take this opportunity to request the Brent council to invest money into project to address the ongoing homelessness in the area and poor living conditions.

Our charity will continue to work with Jackmans to improve the local community and tackle local issues.

Your sincerely ,

[REDACTED]
