Dear Sir / Madam,

Subject : Jackman's licence review

I am a local mini can driver and I work in this area at late night and early morning. I have noticed booty off licence open very early in the morning dispensing alcohol to workers and few 24 hours establishments which are attracting people to this area at unsocial hours .i believe there are the main cause of the problems in this area.

I feel like Jackmans are an easy target for the council to make baseless accusations . In my opinion having been a customer of Jackmans for a few years I can assure to that they have always been following all the rules and regulations regarding public safety .

The issue mention on the notice are still ongoing in this area hence showing that Jackmans selling alcohol is irrelevant to these problems.

I have attached few picture showing booty off licence dispensing alcohol .

Your sincerely,
