I am ██████████ and ████████████████████ to this place. I am a elderly and I object for another shop to open on Willesdon high road that serves alcohol because my street is all drunk and loud people. When I saw this place was going to start alcohol I was shocked and disappointed. I am old and unwell and I need to rest. We do not need another place to serve alcohol, this is ruining our streets, Our road is always so loud full of drunkies till the morning becoss of these people.
