 \odot · The location, while not super central, is actually really nice. The bar keeper was very nice and helpful. Clean rooms with everything I needed.

The food in the pub was absolutely fantastic, especially considering very moderate prices.

② · The hotel hostess could be a bit nicer. The attitude of being annoyed with arriving guests by default is not exactly appropriate for the job. She also made a point to assure me that the party they were hosting at night would be totally over by 11p.m., yet it went on past 1a.m., which was not cool.

Great value and comfort for same price as a travelodge

Great location, venue and price point.

 \odot · There was an open mic night downstairs which was great fun but I could easily hear the noise whilst up in the bedroom. It didn't end until gone 11pm.
