Esther,

The Police reference for the video is CAD 667/22APR – This was a call made by your CCTV to police stating there was a fight outside the venue. As we saw the police arrived, who resulted the call as two stop and searches.

Shout if you need anything else, see you in the morning assuming and hoping you're well enough!

Subject: Alaturca - CCTV Footage 22 April 2024

Dear Licensing Police,

In reference to our meeting today, you were presented a video footage on 22 April 2024 showing an incident that had occurred outside the above premises from 3:30hrs.

You acknowledged that there was a report of a burglary at the venue and no other incidents has come to your knowledge at present.

Kind Regards

Esther Chan
