Dear Sir/Madam

Re: Liquor Licence-25, Wembley Hill Road. HA9 8AS-Objection

I and fellow retailers/grocery shop owners would like to make an objection to the application for a Liquor Licence made on behalf of Bucharest [Good people food Ltd] by Mr Leonard Ovidtu Kepent

The reason for the objection are as follows:

There are numerous Off Licences trading in the surrounding vicinity and Tesco being one of them down the road. This would cause great difficulty and hardship to our business which also sells liquor. This is going to cause a lot of economic hardship to the already beleaguered local businesses. The last thing we need now is another Off Licence opening up next door to my shop. Furthermore we have been told by the local Police to shut my shop and shops around Wembley stadium, not to sell Liquor at certain times on match days, as this may cause social and unruly behaviour among fans. With this in mind, it would not be prudent to issue another Liquor Licence.

I hope the Council would be mindful of the above objections before making a decision on the above matter. Thank you.

Signed by 8 Local Businesses.
