Dear Messrs Ali,

Thank you for the response below, unfortunatly the high strength alcohol causes one of the main problems we have in this borough and is one of the conditions I will not compromise on. Perhaps this is best if left to go to a council hearing to determine your application.

Yours sincerely

Dear Mr Adolphus I am writing the e-mail in regarding the variation of the licence. We accept all the the conditions but we do not agree to the condition that we cannot sell beer above 5.5% as this will cause our customers being in a altercation with us as they do not understand us removing them from our selection of beers. Please could you re think this condition and we will adhere to all the other conditions you have asked of us.

Thankyou

Yours Sincerely

Mr Amjad Ali & Mr kamran Ali

Dear Mr Ali,

is there any response to my E-mail below. It is likely that this case will be listed for a hearing in the next few weeks and it would be good if we could agree this before hand.

Dear Sirs,

I would consider the variation to 12.30am but would require the following conditions to be added to the licence:

The conditions that Police require to be added to the Premises Licence are listed below:

CCTV shall be installed to Home Office Guidance standards and maintained in a good working condition and recordings shall be kept for 31 days and shall be made available to police and authorised officers from responsible authorities if requested.

A CCTV camera shall be installed to cover the entrance of the premises.

A "Challenge 25" policy shall be adopted and adhered to.

No high strength beers, lagers, and ciders above 5.5% ABV shall be stocked.

A clear and unobstructed view into the premises shall be maintained at all times.

The following crime prevention measures shall be implemented:

- A time delay safe with deposit slot and anti fishing mechanisms must be used at the counter till area
- Regular robbery awareness and cash minimisation training shall be given to all staff.

An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue
- (b) all ejections of patrons
- (c) any complaints received
- (d) any incidents of disorder
- (e) all seizures of drugs or offensive weapons
- (f) any faults in the CCTV system or searching equipment or scanning equipment
- (g) any refusal of the sale of alcohol
- (h) any visit by a relevant authority or emergency service.

A refusal book detailing date and time of the refused sale and the name of the person refusing the sale shall be kept and maintained and made available for inspection.

A personal licence holder fluent in English shall be present on the premises and supervise the sale of alcohol throughout the permitted hours for the sale of alcohol.

A copy of the premises licence summary including the hours which licensable activities are permitted shall be visible from the outside of each entrance to the premises.

A suitable intruder alarm with panic button shall be fitted and maintained.

Please consider the above, if you were to agree these conditions with a close of 12.30am I would be in a position to remove the police representation.

Yours sincerely

We would like 12:30 am please to assist late customers as we close up. This is to avoid any trouble as some customers do not understand when we turn away their custom.

Best wishes

Dear Sirs,

As discussed with my colleague on the phone on the 8th August, midnight is the latest I would consider. Please let me know your decision as this will soon be set for a Licensing hearing.

Any problems please call me.

Yours sincerely

Dear Mr Adolphus I am writing the e-mail in regarding the variation of the licence. We applied to open till 3 am. We did not receive any objections from the local businesses or from the local residents and the general public. We have contacted yourself on a numerous occasions and we have discussed that there is a anti social problem in the area and that was the reason the extension was not being granted.

We have decided if we could trade till 1 am that would be sufficient for us as it is very difficult to do business as there is a lot of competition in the local area and we need to be open for a few hours extra.

Yours Sincerely

Mr AMJAD ALI & MR KAMRAN ALI
