**P** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b,c,d,e)** (please read guidance note 9)

These "Premises" are already licensed as part of Premises Licence 223170983 issued to Wembley Park Ltd. This new Licence would only be operated by the Applicant/PLH, Wembley National Stadium Ltd, in place of the current licensed authorization and only then, to support Stadium Events. It is anticipated that the "Premises" would be operated in a very similar way to "East Village" which is operated by WNSL under a Premises Licence 25774 (continued in section (b))

**b) The prevention of crime and disorder**

For example, the "Premises" is likely to be used for 'away' fans (when the East Village is used for 'England' fans) at football Events in the Stadium. It may also be used to support other Stadium Events - including (but not limited to) possibly at NFL Games; other sporting events and/or music Concerts in the Stadium.

(continued in (c))

**c) Public safety**

The Applicant has considered the promotion of all four Licensing Objectives and has volunteered specific (draft) Conditions to support this application and to promote those Objectives. The Premises (whilst (unlike 'East Village') is not within WNSL's General Safety Certificate, it will be operated to the same high-level professional standards including with input from/liaison with the Stadium.

(continued in (d))

**d) The prevention of public nuisance**

In addition, to ensure cohesion across the Wembley Campus, draft conditions have been volunteered to provide for communication with/notification to the Management/DPS of OVO Arena and Wembley Park Ltd/Quintain.

The draft conditions are comprehensive and are very similar to the conditions applicable to the East Village Premises Licence. As one would expect, they cover all usual measures that one would expect for a 'Premises' of this nature including but not limited

**e) The protection of children from harm**

to: Challenge 25; CCTV Coverage; Preparation of Logs/Registers; Requirements to undertake full Event Management Planning (including Risk Assessments); Security; Safety and noise mitigation measures.
