Good afternoon Business Licence,

Following on from the below email, and subsequent agreement between the Police and the applicant - I have amalgamated the Police's conditions into my original list. As such, please find attached updated list of conditions and corresponding emails from each party confirming their agreement.

If you require any further information or clarification, please let me know.

Many thanks,

Good afternoon Business Licence,

On the basis that the applicant has agreed to the attached Annex Two conditions, I can confirm that I have no objections to make against this premises licence application.

Please note, however, that the attached conditions may be subject to change, pending further agreement between the Police, The Licensing Authority, and the applicant. This would only occur if the Police's conditions are amalgamated into this list to ensure clarity and avoid duplication or contradictory conditions.

If you require any further information or clarification, please let me know.

Many thanks,
