

Subject: Urgent request to close down unsafe venue following fatal incident

Dear Brent Council,

I am writing to express my deep concern regarding a recent tragic incident at a local lounge within your borough, where a young man was murdered due to the venue's gross negligence and complete failure to maintain public safety.

The establishment in question displayed a disturbing lack of control and responsibility on the night of the incident. Despite clear signs of escalating violence, staff did not contact the police when a fight broke out. Instead, they chose to eject all customers onto the street, further escalating tensions. It has also come to light that no proper security checks were conducted—individuals were able to enter the premises with knives. This shocking lapse in basic safety protocols directly contributed to the fatal outcome.

This venue has shown a reckless disregard for the wellbeing of its customers, and in doing so, has created a serious public safety risk. I strongly urge the council to take immediate action to investigate this establishment and begin proceedings to revoke its license and permanently close it down.

No family should have to suffer such a loss due to the negligence of a business that prioritizes profit over people's lives. Please take swift and decisive action.

Sincerely,

Rep 03
