Subject: Support Statement for Tiger Bay, Kingsbury

To whom it may concern,

We've been visiting Tiger Bay for over 10 years now. It's one of our favourite places to go, whether it's for dinner, drinks, or just to catch up with friends. Over the years, it's become a real part of our lives and a place we feel genuinely connected to.

We know Uzi, the floor manager, very well. He's always gone above and beyond to make sure the venue runs smoothly and safely. You can see the pride he takes in the place, and that's reflected in how the whole team operates.

Tiger Bay takes everything seriously, whether it's checking ID to make sure no underage guests get in, handling noise complaints, or ensuring the neighbours aren't disturbed by music or guests leaving late. We've personally seen security patrolling the area, being respectful but firm, and making sure everyone is safe and behaving responsibly.

The food and drinks are always top quality, and the staff are exceptional, friendly, professional, and clearly hardworking. A lot of them depend on this job for their livelihood, and it would be heartbreaking to see them lose that because of a one-off incident that doesn't reflect how Tiger Bay is normally run.

We truly believe Tiger Bay follows all the licensing objectives and plays a positive role in the local community. It's a well-run venue that deserves continued support, not punishment.
