Subject: Tiger Bay license review

Hi there,

I hope you're well and had a great weekend.

I'm getting in touch regarding the ongoing review around Tiger Bay shisha lounge and the extremely heartbreaking events that occurred outside the venue last month.

I have been visiting Tiger Bay as a customer since it first opened over 10 years ago with close friends and family. It has been a local space for me and friends to meet up, catch up and a safe space for us to have dinner, drinks, shisha and socialise.

In my time, I've never experienced or seen any trouble there that made me feel unsafe or made me feel in danger. The entire team, including security and management have always been friendly, respectful and extremely considerate towards the comfort and satisfaction of their customers. Generally speaking, the venue has a positive, friendly and sometimes energetic atmosphere.

The above is what makes me feel compelled to write to you in connection with the ongoing license review which I read about on a local news website. While the events that unfolded last month were deeply heartbreaking and tragic, Tiger Bay has a tremendous track record and experience in keeping locals and visitors safe and have demonstrated that over ten years.

While I understand I can't fully impact the outcome of any professional license review, I hope the above will be taken into consideration.

Thanks,
