Brent Council,

I am a frequent visitor to Tiger Bay. I'm writing to express my full support for the venue and to share how much it means to both me and the local community.

Tiger Bay is more than just a place to socialise, it's a space that brings people together from all walks of life. As someone who visits regularly, I can say with confidence that it plays a valuable role in the area. It promotes inclusivity, peace, and unity, welcoming people of all backgrounds and ages.

The staff are a huge part of what makes Tiger Bay so special. They are always friendly, respectful, and go above and beyond to make sure guests feel safe and looked after. Over the years, I've seen how dedicated they are to maintaining a positive environment, even as the venue has grown in popularity.

I'm aware that there has been recent concern about safety, but I want to highlight that in all the time I've been going to Tiger Bay, I've never once felt unsafe. On the contrary, the security is thorough—everyone is searched on entry, and the introduction of ID scanning and metal detectors shows they are taking every step possible to ensure safety. These proactive measures show just how seriously Tiger Bay takes its responsibilities.

It's also worth mentioning the impact this place has on the local community. Tiger Bay provides jobs and gives young people a chance to gain work experience and grow. It supports the local economy and offers a safe, friendly space for people to relax and enjoy themselves.

In my view, Tiger Bay is a vital part of the Kingsbury community, and it should continue to be recognised as a well-run, respectful, and valued establishment.

Please feel free to contact me if you would like to hear more about my experiences or perspective.

Kind regards,
