Subject: Community statement in support of TigerBay

I've been a regular customer at Tiger Bay since it first opened, and it has always held a special place in my life. As someone who lives locally in Kingsbury, I've seen how Tiger Bay brings people together from all backgrounds and cultures. It's a venue that genuinely fosters unity, peace, and a strong sense of community.

The staff go above and beyond to make sure everyone feels safe and welcome. They're professional, caring, and always attentive to the needs of their customers. That's one of the many reasons Tiger Bay has earned the respect of so many of us who have been going there for years.

I recently heard about the unfortunate stabbing incident, and while it's upsetting, I strongly believe Tiger Bay should not be blamed. The venue has been part of the area for over a decade and has never had a reputation for trouble. It has always maintained a calm, respectful, and welcoming atmosphere—even during late hours.

In my experience, Tiger Bay takes safety seriously and follows all the rules and guidelines set by the authorities. Guests are always searched on entry, and the staff are consistent in maintaining order and ensuring a peaceful environment.

Tiger Bay is more than just a venue—it's a vital part of the local community. It creates jobs, supports young people, and provides a space where people from all walks of life can come together in a positive and respectful setting.

If you need anything further from me, please don't hesitate to get in touch.

Sincerely,
