Subject: Tiger bay

I've been going to Carlton Lounge for several years now. I felt it was important to speak up and share my experience, especially after seeing some negative things being said online that really don't reflect what this place is like.

Tiger Bay has always been a safe and welcoming place for me, my family, and many others in the Indian community. We often go there to relax, catch up, and enjoy good food in a friendly environment. I've never once felt unsafe or seen any trouble when I've been there — in fact, it's the opposite. The staff are respectful, the vibe is calm, and it's a spot where different people come together peacefully.

It's been part of our community for years, and I honestly believe it plays a positive role in the area. I hope the council will take into account the experiences of people like me who know the place well and have only ever had good things to say about it.

Kind regards,
