Subject: Support statement for tiger bay

I'm a local driving instructor in the area. I've been going to Tiger Bay for years now, and I've only ever had positive experiences. I also regularly hear great things from my learners—not just about Tiger Bay, but Carlton Lounge too.

People from all backgrounds and all ages mention how welcoming, safe, and well-run both venues are. It says a lot when people from the community—many of whom are just starting out with their independence—already recognise how secure and respectful these places are.

Tiger Bay has always been a secure venue. I've seen the staff work professionally, and the security team are always on top of things without being overbearing. The same goes for Carlton Lounge—you can go there with family, relax, and enjoy a peaceful evening. They treat everyone with respect and really look after their guests.

Both venues are not a nuisance, nor do they contribute to crime in the area. If anything, they provide a safe space for people to unwind and spend time in a positive environment. They give people a sense of peace and community, which is something we need more of—not less.

I believe Tiger Bay and Carlton Lounge fully meet their licensing responsibilities and are a real asset to the local area.
