Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We recognise that our premises lies within the Ealing Road part of Brents Cumulative Impact Policy Area and will be subject to Brents licensing policy. We believe, however, that our premises will not impact adversely upon the promotion of the licensing objectives. We contend that our operating schedule demonstrates that there will be no negative cumulative impact on one or more of the licensing objectives and thus the presumption to refuse the application contained within the licensing policy should be disapplied. As our business is not alcohol led, we would respectfully suggest that our premises will not have any negative impact upon the promotion of the licensing objectives and thus should be granted.

All staff shall be suitably trained for their job function for the premises. The training shall be written into a program ongoing and under constant review and shall be made available to a relevant responsible authority when called upon.

No member of staff should be permitted to sell alcohol until such time as they have successfully completed this training and all staff shall undergo refresher training every 12 months which shall also be recorded.

Training records shall include the time/date of the training, staff members name, training topic and must be signed off by the relevant staff member and the premises licence holder.

The training will cover the topics below:

- Sale of alcohol to persons under 18 (penalties)
- Age verification policies and acceptable forms of identification
- Proxy sales of alcohol to children
- Signs of drunkenness and intoxication
- Recording refusals
- The Licensing Objectives
- Operating procedures permitted hours and relevant conditions

All staff will be checked that they have a current share code proving their eligibility to work in the UK before starting their employment, and will be encouraged to gain the APLH Level 2 qualification and become a personal licence holder, if they are not already a holder of a personal licence.

b) The prevention of crime and disorder

A CCTV system shall be installed to cover all entry and exit points enabling frontal identification of every person entering in any light condition.

The CCTV system shall continually record and cover areas where alcohol is kept for selection and purchase by the public, whilst the premises is open for licensable activities. It shall operate during all times when customers remain on the premises.

All recordings shall be stored for a minimum period of 31 days and shall be made available upon the request of Police or an authorised officer of the council throughout the preceding 31-day period.

A staff member from the premises who is conversant with the operation of the CCTV system, shall be on the premises at all times when the premises are open to the public. This staff member must be able to show a Police or authorised council officer recent data or footage with the minimum of delay when requested.

CCTV shall be downloaded on request of the Police or authorised officer of the council.

Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.

A documented check of the CCTV shall be completed monthly to ensure all cameras remain operational and the 31 days storage for recordings is being maintained.

A premises daily register shall be kept at the premises. This register shall be maintained and kept for a rolling period of 12 months. The register shall record all incidents which may have occurred which are relevant to the supply of alcohol and the promotion of the licensing objectives. Such incidents shall include, but not be limited to

- a) any incidents of crimes or disorder.
- b) any customers barred from the premises.
- c) any complaints received.
- d) any faults in the CCTV system
- e) any visit by a relevant authority or emergency service.. The register shall be readily available for inspection by an authorised person upon reasonable request.

Any entries into the log shall be made within 24 hours of any incident and shall contain the time/date of the incident, the nature of the incident, a description of the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident.

All drinks promotions shall be risk-assessed to ensure the promotion is not irresponsible. Each risk-assessment shall consider the nature of the premises, the nature of the promotion including the size and duration of any discount and the type of customer potentially attracted by the promotion.

Facilities for depositing litter and the collection of litter generated by customers purchasing food and drink must be available and maintained.

Persons identified as drinking alcohol in the immediate area around the premises (whether or not they have purchased alcohol from the premises) will be requested to leave and if they refuse to do so, a report will be made to the police.

Any person who refuses to leave the area, or is identified as causing antisocial behaviour, will be subject to a ban from the premises.

A record of banned individuals shall be maintained in the premises and all staff made aware of the persons who are currently banned so that entry may be refused. The record shall be kept available for inspection while the premises are open for trading.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
