Subject: TEN Application 35154 Neasden Car Park

Good afternoon.

My name is Brendon McInnes. I am a police officer dealing with your TEN Application.

Could you please answer the following questions for me.

1. Do you have permission to use the car park as it is council property?
2. Where will the customers that regularly use the car park be able to park if you are using the car park?
3. How many people will be attending your event at any one time?
4. Will you have security for your event?
5. How will you stop people from taking alcohol out of the car park and on to the street?
6. How will you stop people taking alcohol through the rear service road behind Neasden Lane?
7. How will you control the noise to ensure that neighbours are not disturbed?
8. Are you a personal licence holder?
9. What is your regulated entertainment? Is it a DJ? If yes who is the DJ?
10. What experience do you have in running events?
11. The area already has a problem with street drinking, what conditions do you propose that this event will not contribute to the problem of street drinking and enforce the PSPO?

CC – Business Licence. Please accept this email as holding REPS until the above information is provided.

Kind regards
