Subject: Re: Variation Application - 35819 - Queensbury

Dear Sima,

I oppose the Variation Application for the extension of providing late night refreshments and share Cllr Patel's concern highlighted in his email.

Further, I would add that this business depends on deliveroo motorbikes deliveries which will pose substantial noise pollution, and this business is surrounded above, across and around with resident homes and these residents should not be subjected to unsociable hours trading.

Thank you.

Cllr Kanta Mistry

Conservative Councillor - Queensbury Ward

Brent Council
