

APPENDIX 2
The Supply of Water Services Contract
EVALUATION GRID

The tender responses were evaluated as follows:

Stage One – PASS/FAIL Questions

Responses were evaluated using a qualitative methodology, involving “yes” or “no” scoring.

Stage Two – Weighted Questions

Responses were evaluated using a quantitative methodology. The responses were scored on a 0 to 10 scale as per the table ‘Scoring Methodology’ included within the ITT, which was applied across all 0 – 10 questions.

Assessment Criteria	Weighting
Quality of Service	40%
Added Value	30%
Pricing	20%
Social Value	10%
Total Weighting	100%

Evaluation Scoring Summary:

Contractor	Stage One	Stage Two					Total
		Pass/Fail	Quality of Service	Added Value	Social Value	Pricing	
Contractor A	Pass	26.70%	15.80%	5.60%	19.68%	67.78%	
Contractor B	Pass	21.50%	13.10%	3.60%	20.00%	58.20%	
Contractor C	Pass	19.20%	10.50%	3.10%	19.96%	52.76%
