Resident 4	Yes	Please add me to people who would like Harlesden Neighbourhood Forum to be redesignated.	Noted.
Chair St Helens RA and St Quintin and Woodlands Neighbourhood Forum	Yes	Our residents association in North Kensington supports the redesignation of the Harlesden Neighbourhood Forum. We have 380 members in the north-west corner of RBKC and have worked together with HNF on a variety of initiatives. Our membership is shared with the St Quintin and Woodlands Neighbourhood Forum. Together with HNF we represent local communities on the OPDC Residents Panel and continued to engage with OPDC on new developments in Scrubs Lane W10 and around Willesden Junction station. Harlesden Neighbourhood Forum has a well established track record and merits continued designation by LB Brent and OPDC for a further five year period.	Noted. Support welcomed.
Cllr. Matt Kelcher	Yes	I am very much in favour of the redesignation and spoke in support of it during the recent OPDC Planning Committee meeting when the OPDC considered the matter.	Noted. Support welcomed.

Canal and River Trust		No comment.	Noted.
