**Officer: Police Sergeant 238NW Michael Sullivan
Licensing Act 2003 – Section 51, Review of Premises Licence**

Police representation in respect of the application to review the premises licence for Recanto Kings, Unit 25 Sapcote Trading Centre, High Road, NW10 2DH.

This representation is made by an officer of the Metropolitan Police Service, being the authority within whose area the premises are situated and duly authorised to exercise its statutory function as a Responsible Authority under the Licensing Act 2003.

I confirm that I have considered the above application and wish to make representations on the grounds of the prevention of crime and disorder in support of the review initiated by the Home Office (Immigration Enforcement Compliance Team).

A review of the application history indicates that, notwithstanding multiple administrative changes to the premises licence including transfers of ownership and variations of the Designated Premises Supervisor (DPS), there is a clear continuity in the individuals involved in the operation and management of the business.

The premises licence was originally granted in June 2024 to Recanto K Ltd, with Mr Milson Ramos Silva as director and Mr Jose Neves De Faria Junior as the DPS. Subsequent months saw several changes to the DPS role, including the removal of Mr De Faria Junior in October 2024, the appointment of Mr Fabio Mauricio Prazeres Da Conceicao Marcelino in November 2024, and the reappointment of Mr De Faria Junior in March 2025. Mr De Faria Junior was again removed in November 2025.

In December 2025, the premises licence was formally transferred from Recanto K Ltd to Restaurant Bar Simprao Ltd. However, shortly thereafter in

January 2026, Mr Milson Ramos Silva, previously the director of the original licence holder was appointed as the DPS, indicating his continued involvement in the business despite the change in licence holder.

Overall, the pattern of repeated DPS variations and the reappearance of the same individuals in key roles, alongside the transfer of the licence between corporate entities, demonstrates that the underlying control and management of the premises has remained substantially the same. This continuity is further relevant in the context of the review application submitted in April 2026 by the Home Office (Immigration Enforcement), which raises concerns regarding the operation of the premises.

Since February 2025, Police have received reports of complaints concerning altercations, intoxication, drug use and nuisance in the form of loud music emanating from the premises and illegal workers, see below for extracts of the details from the Cad references:

Police officers have carried out a visit to the premises as part of both proactive and intelligence-led operation on Friday 11 July 2025. During the visit, breaches of licence conditions were identified, including:

Condition 13 - The supply/sale of alcohol shall be by waiter or waitress service.

Condition 14 - Alcohol shall only be provided as an accompaniment to a main meal in the restaurant area as defined on the plans submitted to the licensing authority.

Condition 15 - Customers shall not be permitted to take any open drink containers outside the premises as defined on the plan submitted to and approved by the Licensing Authority.

Condition 21 - Staff training must be documented and based on legislation and operating procedures. All training shall be signed and dated and a copy of such records will be available for inspection by Police and local authority enforcement officers.

Condition 24 - An incident log shall be kept at the premises, and made available for inspection on request to an authorised officer of Brent Council or the Police, which will record the following:

- (a) all crimes reported to the venue*
- (b) all ejections of patrons*
- (c) any complaints received*
- (d) any incidents of disorder*
- (e) all seizures of drugs or offensive weapons*
- (f) any faults in the CCTV system*
- (g) any refusal of the sale of alcohol*
- (h) any visit by a relevant authority or emergency service.*

Officers identified instances of non-compliance with conditions intended to ensure lawful operation and therefore issued a Closure Notice – Section 19 Criminal Justice and Police Act 2001, which was served to Mr Jose Neves De

Faria Junior who acted in the capacity of the DPS at time of visit. A copy was provided to the Licensing Authority ([Appendix MJS/01 & MJS/02](#)).

Despite being afforded opportunities to comply, the premises has failed to demonstrate adequate adherence to its obligations under the licensing framework, following findings from the Immigration Enforcement Team.

The Police consider that the continued operation of the premises in its current form presents a risk to the promotion of the licensing objectives, particularly the prevention of crime and disorder. In light of the seriousness and persistence of breaches, the Police support the revocation of the premises licence as a necessary and proportionate measure.

The Police therefore invite the Licensing Sub-Committee to give due consideration to the evidence presented and to take appropriate action to uphold the licensing objectives and protect the wider community.

Yours Sincerely,

A handwritten signature in cursive script that reads "Michael Sullivan".
