## Part 3 Operating Schedule

When do you want the premises licence to start?

DD	MM	YYYY
08	05	2026

If you wish the licence to be valid only for a limited period, when do you want it to end?

DD	MM	YYYY

**Please give a general description of the premises (please read guidance note 1)**

The purpose of this application is to allow the transition of this primarily yet currently unsustainable snack and stationery-based business into being a modern Convenience Store with Off Licence offering the 'meal for tonight' solution in order to keep it trading.

We recognise and acknowledge that these premises lie within the pre-existing Harlesden CIA area. Thus a most robust Operating Schedule is entailed, which will promote the Licensing Objectives and will NEITHER undermine them NOR the CI Policy. Operating under this regime, this operation will not add to any Cumulative Impact caused by the number of alcohol licensed premises in the area.

We have benefitted greatly from written advice from the Head of Licensing Applications at Brent Council as follows:

*"[Brent Council] will be reviewing the CIZ policy shortly, to ensure that it is up to date with the current statutory guidance and evidence. The current CIZ zones are areas where [the Council is] aware that there are ASB/street drinking problems. In view of this, whilst the review is taking place, [the Council's] approach will be that applications falling into the current zones, will continue to be assessed on their own merits, whilst taking the following into account:*

- The style, nature, and operation of the premises*
- The steps proposed to promote the licensing objectives*
- The suitability and robustness of the proposed operating schedule*

*Robust conditions will initially be proposed to ensure that any potential cumulative impact is effectively mitigated and that the four licensing objectives are upheld."*

Consequently, the proposed hours and operating schedule entailed in this application are based upon a recently successful application in Craven Park Road whereat the legal implications, import and basis of the pre-existing Harlesden CIZ and the data set used to found it were debated. We are pleased to accept that finding & the above advice, and will be pleased to consider any further conditions proposed by the Responsible Authorities.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

What licensable activities do you intend to carry on from the premises?

(please see sections 1 and 14 and Schedules 1 and 2 to the Licensing Act 2003)
