Willesden is a dump with too much poverty FROM THESE GAMBLING casinos. Do you want more tramps, drunks, antisocial behaviour, drugs, theft, flytipping?!?!? These establishments bring money laundering , dangerous and trashy people into our community- harming women and children and causing major economic damage. Are you trying to keep Willesden in the trash heap or do you want this place to thrive. STOP MORE OF THESE ESTABLISHMENTS- don't be so cheap and bought into this decrepit way of life- if u let this through you are clearly have been bribed as no one in the right mind would approve this
