I would like to oppose the building of the casino. The area and main high street in Willesden Green can already feel slightly unsafe at times, including at the local Sainsbury's supermarket. Many families reside in the area as well as schools within walking distance of Walm Lane. Having a casino open would make the area feel less safe and friendly. It would attract different clientele as well. I kindly ask the council to consider these points as well as the views of other local residents who oppose the project.
