The change of use application excluded local schools from its risk assessment, understating the safeguarding risks. Police are already struggling with high levels of street crime in the area including knife crimes in nearby shops. Brent has very high levels of gambling addiction and there is already a high density of gaming shops and bookmakers in the area. There is a shortage of local independent fresh food shops, with a nearby bakery recently closing down. We need more local shops, not more crime and problem gambling.
