To whom it may concern, I strongly object to this casino license being approved, speaking as someone who has been a victim of harassment from customers of local gambling centres. I am a young woman and often times especially when I come home from work there are people around gambling centers that tend to be verbally aggressive and inappropriate. This will only cause further discomfort to other women who already have to worry enough around the area due to general anti social behaviour. I appreciate the chance to be a voice in this matter.
