> Dear sir / madam

>

> I am objecting to this casino because it is on a very popular stretch of road that many children walk past every day on their way to and from school. The more Brent says yes to these sorts of establishments, and the more of them there are in our communities, then obviously the more normalising it will seem to young people and therefore make gambling seem like a common and acceptable and harmless activity.

>

> The location of this one is particularly bad for children.
