Subject: Re: New AGC - Arcadia Casino, 1 Walm Lane, NW2 5SN - 37891

I would like to resubmit my application to the above casino on the basis of the gambling act 2005.

1. Preventing gambling from being a source of crime or disorder.

There is open crime in Willesden Green visible around walm lane both during the day and at night. I have been a resident of the area for over 40 years and no longer feel safe on my own in the streets.

Allowing another of these casinos to open encourages more individuals dealing with drugs near the station to the area.

I am also noting how difficult you are making residents voices to be heard.

This process of resubmitting my rejection requires time and effort, but I am fed up of Brent council making residents go through loopholes when clearly this proposed facility could be argued against for all of the three reasons mentioned in your email.

However if you insist on me having to explain how my rejection is in line with the gambling act 2005 I will continue to do so, as I care about this community. I wish Brent council felt the same way.
