Policy 1 – Process for Applications

Conditions on the licence, additional to those voluntarily sought/agreed by the applicant, may be considered. Conditions will focus on matters which are within the control of individual licensee and which relate to the premises or areas being used for licensable activities, the potential impact of the resulting activities in the vicinity. If situations arise where the licensing objectives may be undermined but cannot be dealt with by the use of appropriate conditions the Licensing Authority will consider whether it is appropriate for a licence to be granted or continue to operate.
