**Brent Clinical Commissioning Group Draft Commissioning
Intentions**

1. Summary

1.1 Brent Clinical Commissioning Group has been preparing its commissioning intentions for 2014/15. It has a duty to involve the Health and Wellbeing Board in this work, for the Board to comment and give its views on the proposals. This work is still at a relatively early stage and so the Board has an opportunity to influence the CCG as it finalises its commissioning intentions, in particular to ensure they will contribute to the priorities in the Health and Wellbeing Strategy.

1.2 The commissioning intentions are attached as an appendix to this covering report.

2. Recommendations

2.1 The Health and Wellbeing Board is recommended to consider and comment on the CCG's draft commissioning intentions and respond to the issues identified ensuring that they contribute to the priorities in the Health and Wellbeing Strategy.
