

William Saville House
Denmark Road.

Dear Sir or Madam,

VARIATION TO PREMISES LICENCE: FALCON PUBLIC HOUSE, 341 KILBURN
LANE, LONDON, W9 3EG

I object to the variation to premises licence which has been applied for in respect of the Falcon public house.

I am a council tenant living on the r of William Saville House. The bedrooms of my flat face the Falcon public house across Salusbury Road. All noise from activity in and around the Falcon can be heard clearly in the flat. This also applies to many other flats in William Saville House and William Dunbar House, as well as to other surrounding flats and houses.

Two residents in my flat work early morning shifts and have to get up around 6am on some days, which include Saturdays, Sundays, bank holidays, Christmas day and New Year's day. Any live or recorded music and any late-night gathering are a nuisance to us. This applies after 10pm on any day of the year.

You should not allow this variation to the premises licence.

Yours faithfully,
