Health Partnerships OSC

Work Programme 2013-14

Meeting Date	Item	Issue			
Dec 2013	Wave 2 Update	Update on the Impact Assessment and Consultation proposals for Wave 2 commissioning of musculoskeletal services, trauma and orthopaedics, rheumatology and gynaecology.			
Dec 2013	Winter A&E Provision	Report on CCG and NWLHT's plans to ensure to deal with winter demand and to ensure that A&E is able to cope with this.			
Dec 2013	Plans for Central Middlesex	Update on proposals for services at Central Middlesex Hospital under "Shaping a Healthier Future".			
TBC	Mental Health services	Including services provided by: CNWL, CCG, Council Social Services.			
TBC	Maternity Services	Maternity care in Brent, including proposed changes proposed under Shaping a Healthier Future			
Recurring	Emergency Services	Current issues around emergency services/A&E at North West London Hospitals and immediate, mid and long term plans to address current problems and improve services.			
Recurring	NWLHT and EHT Merger	Update on the merger between North West London Hospitals Trust and Ealing Hospitals Trust and on current progress against financial targets.			
Dec/Jan	Current diabetes services and future commissioning	To establish what services are currently provided and what the future commissioning plans are by the organisations now charged with providing them.			
TBC	Public Health	At the June 2013 HOSC members commented of the need to receive regular reports on how public health services were working.			
TBC	Health Visitors	Following previous concerns about the recruitment and retention of Health Visitors, the committee			
TBC	Out of hospital care strategy	As part of the Shaping a Healthier Future work, Brent will be preparing an Out of Hospital Care Strategy. The committee will consider the strategy and respond to the consultation.			
TBC	Palliative care	Following a presentation from the CCG followed by St Luke's Hospice in March 2013, the committed requested that the CCG return with a more detailed report on Palliative Care in Brent and that included the Brent End of Life Strategy which was not available to members at the time of the meeting.			
TBC	Diabetes and	NHS Brent plans to re-commission diabetes and physiotherapy services in the borough. The committee			

should consider the plans for the new services, as well as the consultation plan. Physiotherapy services – plans to re-commission services in Brent
to re-commission services in Brent TBC Housing Advice in a Hospital Setting Housing Advice in a Hospital Setting TBC Health Inequalities Performance Monitoring TBC Sickle Cell and Thalassaemia TBC Sickle Cell and Thalassaemia TBC Housing Advice in Advice in a Hospital Services. Brent Private Tenants Rights Group would like to bring this report to the committee to begin a conversation on the best way to take this forward in Brent. The Health Select Committee should make health inequalities a major focus of its work in 2010/11. As part of this, a performance framework has been developed to monitor indicators relevant to the implementation of the health and wellbeing strategy, which relate to the reduction of health inequalities in the borough. This framework will be presented to the committee twice a year, with a commentary highlighting key issues for members to consider. TBC Sickle Cell and Thalassaemia Services at North West London NHS Hospitals Trust. The committee will invite sickle cell patient groups to attend for this item to give their views

Services Report on services in the borough. This follows a previous report on changes to paediatric in patient arrangements.
Tool video report I on oci video in the bolough. This follows a previous report on changes to passiath in patient arrangements
at NWL Hospitals. Members are keen to know how sickle cell patients have been dealing with this change.
TBC Fuel Poverty Recommendation follow up on the task group's review.
Task Group
TBC Breast Feeding in Following a report in March 2011 on the borough's Obesity Strategy, the committee has requested a follow
Brent up paper on the Breast feeding service in the borough. Members were particularly interested in the role of
peer support workers and how mothers are able to access breast feeding services. The committee would
also like to have accurate data on breast feeding initiation and prevalence in Brent.
TBC TB in Brent Added at the request of the committee (meeting on 20 th Sept 2011).
TBC GP access In December 2011 the results of the six monthly patient survey will be published. Members should
patient scrutinise the results with Brent GPs to see how their initiatives to improve access are reflected in patient
satisfaction satisfaction.
survey results
Teenage Members have asked for a report on teenage pregnancy in Brent, the services available and conception
Pregnancy rates amongst teenagers.
Abortion services Councillors have asked for a report on abortion services in Brent, and the abortion rates in the borough,
in Brent including repeat abortions. This could include a more general update on sexual health provision in Brent.
TBC Brent MENCAP At the November 2012 HOSC members heard from MENCAP on their work around Health Services for
Update on work People with Learning Disabilities. Members requested an update on MENCAPs work at a future meeting.
TBC Diabetes Task Update on progress of the Diabetes Task Group recommendations.
