3. A summary of the Premises Licence will be displayed at each public entrance to the premises.

4. Notices will be displayed at each public entrance to the premises, which clearly state the premises policy on admission and searching.

Prevention of Crime and Disorder

5. A minimum of 2 Door Supervisors shall be employed from 21.00 on any day when the premises are open for the sale of alcohol past midnight.

12. It is therefore not considered that this application to extend the sale of alcohol and late night refreshment and to provide limited regulated entertainment up to not later than midnight from Sunday to Thursday and 04.00 on Friday and Saturday will give rise to any additional problems in respect of the promotion of this objective, the existing/proposed arrangements being considered adequate to promote the crime and disorder objective.

14. There shall be no entry to the Premises permitted after 01.00

Indeed, the grant of the additional hour (s) will of itself promote the licensing objectives as stated at paragraph 3.29 of the Guidance, in allowing customers to emerge from premises at a more gradual rate.

**P. Licensing Objectives**

17. Reasonable steps are taken to recognise the rights of local residents and to encourage customers to leave the premises quietly.

18. Emergency call procedures in place.

19. Deliveries are conducted during daytime to control noise nuisance.

. Our commitment to health and safety in the operation and maintenance of the premises.

. Our approach to managing the risk of under age drinking.

23. No adult entertainment (paid for the company of a nude physical nature) is permitted at these premises. Any children under 16 remain the responsibility of the accompanying adult when using the premises (and/or exterior area). Staff are not allowed to be in sole supervision of children which remains the responsibility of the accompanying adult at all times
