07/09/2013	Other	Susana Figueiredo	police update Crimint : QK429090. On SATURDAY 7TH SEPTEMBER 2013 Jacob went to MACE Newsagents, SALUSBURY ROAD NW6. Jacob has gone there to buy alcohol as they serve to him and his friends even knowing he and his friends are thirteen years of age. Jacob states he has brought alcohol from this shop since he was 12. After Jacob brought the alcohol he mixed it with Lucozade and started to drink some as he made his way to FINCHLEY ROAD 02 CENTRE. It then transpired that Maxine had been reported missing by her mother and later found and taken to Royal Free. Jacob and his parents have then come in to Kilburn Police Station to report the incident and make a complaint against MACE Newsagents for selling the alcohol to him. Jacob's mother states that she is regular in touch with the police and trading standards and has been part of many test purchasing tests but MACE have not sold to a minor on any. Mother is going to cobntact Trading Standards again and will let Jacob be part of the next test purchase as she refused previously.
