Notes for guidance

- 1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.
 Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:
 - conduct that amounts to one or more criminal offences for which a person who has attained the age of
 eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for
 a term of three years or more; or
 - conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial
 financial gain or is conduct by a large number of persons in pursuit of a common purpose.
 Serious disorder is not defined in legislation, and so bears its ordinary English meaning.
- 2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

Retention Period: 7 years
