

Appendix C – Postal voters not successfully matched

During the task group, members requested a breakdown of postal voters across Brent who were not successfully matched during the confirmation dry run. A total of 2739 postal voters were not successfully matched in Brent with the lowest matching wards being Dollis Hill where 71 postal voters were not successfully matched and Queens Park where 55 were not successfully matched.

The top five polling districts in Brent where postal voters were not successfully matched are:

1. Dollis Hill (71)
2. Queens Park (55)
3. Mapesbury (52)
4. Welsh Harp (51)
5. Brondesbury Park (50)
