WARNING LETTER

Reference the incident that occurred on 30/1/14 at 2340

Dear Mr Devshi

This letter will set out what I believe to be failings in the support and promotion of the Licensing Act 2003.

Having viewed the CCTV of the incident supplied by you as well as the Police headcam footage it is my opinion that several members of the group involved in the incident were served too much alcohol whilst in the premises and that they were drunk.

This is an offence under S141(1)(a) which states that "knowingly sell or attempt to sell alcohol to a person who is drunk", a conviction for this can lead to a fine.

Having viewed the CCTV supplied by you I believe that some of the camera's need to be re sited and I will discuss that with you when I visit.

In addition, whilst there is no condition requiring you to have door staff at that time however 'good practice' would suggest that they should have been obtained immediately you became aware of the numbers of guests present and the potential for disorder. Failing that it may have been sensible to alert the local Police so that those responsible for the area could offer you support.

The Metropolitan Police as a Responsible Authority under the Licensing Act 2003 reserves the right to initiate a Review of your Premises License and take enforcement action with reference to the commission of offences under the 'Act'.

Yours faithfully
Nick Mortimer
Licensing Manager
Brent Police
