Screening Data

1. What are the objectives and expected outcomes of your proposal? Why is it needed? Make sure you highlight any proposed changes.

We are considering the introduction of a number of oversubscription criteria into the admission arrangements for Brent community primary schools.

It is expected that introducing children of staff oversubscription criteria will help schools to attract and retain valued staff.

The government is keen that admission authorities seek to tackle the particular educational disadvantages faced by children eligible for the Pupil Premium. If we introduce criteria giving priority to applicants who qualify for the Pupil Premium they will have increased priority for a school place at their preferred schools.

2. Who is affected by the proposal? Consider residents, staff and external stakeholders.

All applicants to community primary schools may be effected by the proposed changes.
