	<p>Scrutiny task group on Closed Circuit Television (CCTV)</p>	<ul style="list-style-type: none"> The committee questioned the law on the deployment of CCTV. Concern was expressed that by adopting a traffic light approach to deploying CCTV, this would take from areas of less crime which would then be vulnerable to an increase in crime. Reference was made to the Cleaner Brent App and if this could be linked to CCTV. <p>Councillor Denselow identified eleven of the recommendations as being capable of either being included in the strategy or that were already in progress. The other eleven recommendations would need to be further explored with input from other parts of the Council such as legal and planning. However, he felt all the recommendations could be implemented.</p> <p>RESOLVED:</p> <p>(i) that the recommendations of the scrutiny task group on closed circuit television (CCTV) be approved and the development of an action plan across the Council and with partner organisations be supported;</p>	<p>The task group was requested by the Scrutiny Members in response to Brent resident's requests for increased levels of CCTV in the borough. 	<p>Scrutiny task group on Fly tipping</p>	<p>(ii) that a progress report against the recommendations be submitted to the committee in six months time.</p> <ul style="list-style-type: none"> • It was suggested that the recommendation to give the Cleaner Brent App further publicity could be actioned by adding a footnote to Council correspondence. • It was pointed out that a lot of the recommendations involved Veolia and it was questioned whether Veolia would take on these suggestions. • With regard to the collection of bulky waste, the view was put that it was important to provide an efficient collection service to avoid it being dumped. • Reference was made to the people whose job it was to go out in the borough and it was asked whether they had a duty to report dumped waste. • Questions were asked on how the suggested community clean-ups might work. <p>Councillor Southwood stated that there was nothing in the recommendations affecting Veolia that could not be implemented through the current contract the Council had with them. She supported the point made about language leading to a misunderstanding of what fly tipping was. She felt that none of the recommendations presented anything that was unachievable or undeliverable. She agreed that local people needed to be empowered to take action against illegal dumping.</p> <p>RESOLVED:</p> <p>(i) that the recommendations of the scrutiny task group on fly tipping be approved and the development of an action plan across the council and partner organisations to take them forward be supported;</p> <p>(ii) that a progress report against the recommendations be submitted to the Scrutiny Committee in 6 months time.</p>	<p>The task group was requested by the Scrutiny Members in response to communicated concerns from Brent residents regarding increased fly-tipping levels.
