Subject: re: premises licence application NW6 7EL

Dear Sir/Madam,

I am one of the residents of glengall house. I was surprised to know that there was a notice posted in the left hand corner of the building for a restaurant which will open in our building.

I am writing this letter to clarify why I'm objecting for such a place to open.

1. It is mentioned the place will be selling alcohol allowing it to be consumed both on and off the premises. It's going to attract more people who are likely to drink day and night.

2. I can hear clearly every footstep in that area and having the a new place open is just going to add to the noise pollution already in the area. I cover shifts at work and sleeping is very important for me. I find it hard to concentrate with all the noise in the area and I'm really concerned this will affect my sleep. Not to mention, obviously drinking will not help reduce the noise, rather increase it.

3. Littering will be an issue as there is enough litter already in front of our building from strangers who don't even live in the area come and loiter around, drink, chat loudly and leave their cans and bottles.

4. With all due respect, calls of nature are even being excreted in front of our building and in the glengall passage. It smells like a toilet when I walk past, and frankly I don't know how a restaurant which sells alcohol and allows its consumption both in and out of the premises will help with that.

5. The opening hours are 7 am till 12 midnight! It will be extremely difficult for anyone in the flat to sleep or even get a decent rest with all the commotion and noise.

I would like to kindly ask of you if I could remain anonymous and my details remain confidential on this objection.

Thank you for taking time to read my letter and I am asking you to please consider my objection.

Yours sincerely,

Resident of Glengall House
