Jete Sete Night Club currently has a licence that allows it to open Sunday to Thursday between 10.00 - 02.30 hours, Friday and Saturday between 10.00 - 04.00 hours.

All other licensable activity finishes 30 minutes before the closing time.

The Premise Licence Holder is under a registered company, by the name of MCS INC Limited, and the DPS is Mr Antonio Eugenio Martins.

The premises are failing to promote three of the licensing objectives, namely the prevention of crime and disorder, Public safety, and prevention of public nuisance.

Jete Sete has previously had its licence reviewed before, firstly in June 2010, and then again in May 2015, both after serious crime and disorder, both inside and outside of the venue.

The licence has 44 conditions attached to it, which the majority are not currently being adhered to.

There has been a recent increase in crime and disorder over the last few months, resulting in injury, theft and public disorderly.

Please provide as much information as possible to support the application (please read guidance note 2)

This incident took place at approximately 03.15 hours.

At 29/11/2015 the victim was in the club with his brother and friends at 04.30 hours he saw Security staff arguing with his brother and trying to make him leave, he went over to help his brother and try and persuade the security staff to allow them to stay, the victim opened his wallet and took out £40 and tried to give it to one of the security staff in an attempt to persuade them to let them stay in the club, he states that it was at this point the security saw that he had a large amount of money in his wallet.

The security staff then escorted the victim and his associates out of the venue and to a nearby bus stop.

The victim then states once at the bus stop one of the security staff punched him in the face causing swelling to his left eye, and then held on to him whilst the second security guard head butted him, causing a cut to the inside of his lip, the victim then fell to the floor, he noticed his wallet on the floor next to him and when he looked saw that £800 was now missing from it.

He is also seen to imitate pulling a knife from a boot of a vehicle. He is stopped by police and asked to give his account of events he stated that he had been to Jet Set club in Harlesden, which he had not been to for a while. He had been drinking and had a good time, and when he left there was an argument with a female, and she was being surrounded by a group of males. He went to calm things down but couldn't so walked away. He has walked past the Corsa and has broken the wing mirror, and stated he did this deliberately as he was angry, He has then been approached by two unknown males who came running over to him and started trying to fight him.

CAD 2020 - dated 29/10/2016 police called to the venue to deal with drunk and aggressive revelers leaving the club, this was at 05.20 hours when the club should have been closed.

Brent police licensing team contacted the DPS a few days later asking him for an account of what happened he stated that he was unaware of any incident and stated that the club was closed, he was asked for a copy of the clubs CCTV for this time which would prove or disprove if the club was open at this time, Mr Martin came back a few days later and stated

that the CCTV was not working correctly and had deleted the footage requested. It was explained to him that this was not acceptable and he was issued with a **final written** warning.

CAD Report 1512 dated the 05/03/2017 at 03.57 hours - reports of a fight and shots fired, police attended to find large scale public disorder outside the club, but no evidence of a firearm being discharged.

The DPS was contacted by Brent Police licensing team and asked what had happened on the night, he stated that there was two gangs in the club and one of the gangs had been sent to his club from South London to cause problems.

CCTV from inside the club was requested, this shows a fight inside the club and a male being hit with what looks like a bottle.

Crime report - 1905465/17 dated the 05/03/2017 Refers to a Robbery

Again this all appears to be linked to the above CAD

There is a fight inside the venue and the victim has tried to intervene and break it up, his watch has come loose at which point an unknown male has taken it off his wrist and made off with it.

Licensing Visit conducted by Brent Police Licensing Team.

Date 18/03/2017

There were two males at the door, one wearing an SIA badge, the other appeared to be door staff but when asked stated that he was not working as SIA.

DPS not present.

A full visit was carried out in response to recent disorder at the venue. The manager. Ms. Tatiana COUTO, claimed the club was holding a 'private function'. We went down the stairs into the bar area, alcohol was being sold from the bar. Recorded amplified music was being played by a DJ. The sound level was high; We then went through all of the licence conditions in the staff office with Tatiana. There were numerous breaches to the 44 conditions. The following were being breached:

Condition 1 - No I.d Scanner, the scanner has not been used for years as it is broken .

Condition 2 - There should be TWO door supervisors present after 2200 hours - there was only one on duty.

Condition 3 - The SIA security log had not been completed for the evening. The last time it was completed was 11/03/2017.

Condition 4 - No entry/re-entry after 0100 hours - People were being allowed in after this time at 0115 hours.

Condition 7 - Manager was unable to give police unhindered access to the cctv via the internet

Condition 9 - No licence summary on display at the entrance.

Condition 11 - No notice regarding admission policy on searching on display at the entrance.

Condition 13 - No notice on display explaining drug policy at the entrance.

Condition 17 - No toilet attendants - The last time there was one was about one year ago apparently.

Condition 22 - No Transport information on display.

Condition 32 - No notices asking customers to leave quietly at the entrance.

Condition 33 - Manager did not know who was the 'dedicated cab firm' for the club.

Conditions breached which were put on by the committee following a review in April 2015:

Condition 40 - SIA officer was not wearing his high visibility jacket.

Condition 41 - No facility provided within the premise for customers to await taxi's.

Condition 43 - Licence holder failing to adhere to existing licence conditions.
15 breaches in total.

The DPS arrived as officers were finishing their licensing visit and he was informed of the breaches identified a meeting was asked for however he stated that he was going to Turkey for two weeks and would be unable to attend any meeting until his return.

CAD 1662 dated 02/04/2017 - Disorder outside the venue
CCTV captures people exiting the club, people can be seen outside the venue and in the road the camera then turns around to the opposite side of the road as people can be seen running across the road from outside the club, it then captures a large crowd fighting, people are being pulled apart and dragged away into Furness Road where the disorder and fighting continues, the fighting and Disorder continues until police arrive.
Two males arrested for Affray.

It is apparent from the above history that there is a lack of management at this venue, since 2010 there have been two previous reviews after serious disorder at the club, the PLH/DPS has been the same for both previous reviews, and it is apparent that no lessons have been learnt.

Police have no faith in the management and it appears that they have no regard for the licensing objectives.

After two previous reviews where conditions were attached to the licence, it is apparent that most have been dismissed and not implemented, and no consideration to the seriousness of the previous reviews has been taken on board.

Numerous conversations have been had with the DPS Mr Martins and each time he makes promises of improvement at the club but this never materializes.

This venue impacts dramatically on police recourses which are limited in the early hours of the morning, this is detrimental to Brent residents as a whole if the limited police recourses are tied up dealing with large rowdy groups from this club in the early hours over the weekends.

The club current has 44 conditions attached to the licence, namely

Summary

This venue is a nightclub which opens predominately at the weekends, the history of violence and disorder over the years is horrendous, and two previous review hearings have done nothing to improve the running of the premises.

Mr Martins seems to have little to no concern when asked about these serious incidents and I believe is under the impression that this is what is expected of what happens when running a nightclub, he is dismissive and nearly always blames everyone else for the problems, but he does not want to take responsibility for his lack of management.

This venue is very near to residential premises which have had to endure the constant crime and disorder along with the Anti-Social behavior from the patrons of JET SET night club.

I have considered all possible options that are open to me under the licensing act, asking for a suspension would have little to no affect as this has been implemented previously and even after having this time to improve nothing has changed.

Asking for the DPS to be removed would serve little to no purpose as Mr Martins would in my

opinion still be in day to day charge of the venue and again no real prospect of improvement would be made.

Asking for more conditions to be added to the licence would be unmanageable as the licence already has 44 conditions, most of which are not currently being adhered to.

A reduction in hours would not work as this is a night club which sees most of its patrons arriving at around midnight to party until the early hours of the morning.

After all other options have previously been tried and failed I ask that the committee consider revoking the club's licence, as there is no real prospect that the club is likely to improve its track record and will only continue to have incidents of crime and disorder if allowed to continue operating.

Police have previously submitted two Reviews for this premises, the first being in January 2011. This was an Expedited Review after serious crime and Disorder at the venue.

Having considered the application by the Metropolitan Police to Review the Premises Licence for 'Jet 7 Sete' (248-252 High Street, Harlesden, London, NW10 4TD) ("the premises") pursuant to the provisions of the Licensing Act 2003 the Sub-Committee resolved that the **premises licence continue in force subject to amendments to the premises licence and conditions as follows:-**

- (i) that the following hours for the provision of all licensable activities be specified:-
 - (a) that all licensable activities cease by 02.00 (the following day) Sunday to Thursday and 03.30 (the following day) Friday and Saturday
 - (b) that the premises remain open until 30 minutes past these times
 - (c) that all licensable activities permitted on the existing licence to commence at the hours specified on the licence Monday to Sunday
- (ii) that the following conditions be added to the licence in addition to the existing conditions:-
 - (a) that all conditions as agreed with the police be attached to the licence, subject to the following amendment to condition 7:-

Replace "appropriately dressed" with 'in smart casual dress'. Smart casual dress not to include football tops, hooded tops, sports tops, jeans or trainers.

The conditions are as follows:-

 1. Admission to club by Club Scan, photographic ID to be produced by all patrons (driving licence, passport, oyster card) to staff and electronic records to be kept on Club Scan and checked every time a patron attends the premises.
 2. Police officers shall be given unhindered access via the internet to view live images from the CCTV at any time when the premises is open to the public.
 3. The front smoking area is to be limited to 10 persons at any one time and there is to be no consumption of alcohol, soft drinks or food. Area to be monitored by door staff.
 4. The rear fire exit is to remain closed and only be used in the case of emergency.
 5. No persons are to be permitted to remain at the rear of the club premises.
 6. One toilet attendant in each of the male and female toilets at all times during licensing hours.
 7. The management reserve the right to refuse entry to all persons not in smart casual dress. Smart casual dress not to include football tops, hooded tops, sports tops, jeans or trainers.
 8. Management to have a dedicated cab firm and must ensure that all cabs are booked via the in-house booking system.
 9. Notices explaining the licensee's policy on admissions and searching shall be placed at each entrance.

10. The licensee shall undertake a risk assessment agreed by the police and licensing authority of any significant promotion or event, using the Metropolitan Police Service/Event Risk Assessment Form (Form 696) or an equivalent and provide a copy to the Metropolitan Police and Brent Licensing Unit not less than 14 days before the event is due to take place.
11. Where an event has taken place the licensee shall complete a Debrief Risk Assessment Form (Form 696A) and submit this to the Metropolitan Police and Brent Licensing Unit within three days of the conclusion of the event.

The Alcohol and Entertainment Licensing Sub-Committee (B) felt that the additional conditions and the revised operating hours would meet the licensing objectives (prevention of crime and disorder, public safety, the prevention of public nuisance, the protection of children from harm) and accordingly agreed that the premises licence should remain in force.

The second review was heard on the 21/05/2015 again after serious crime and disorder; the hearing determined that conditions should be added to the licence.
